THOMAS SHIRLEY b. 17___ and died _____1835 Barren Co. Ky. He married Mary "MOLLIE" Grubbs 3662 May 7, 1770

Thomas came from Prince William County, Va. He was in Abbeville Co. South Carolina before coming to Harrison Co. and Scott Co. (adjoining counties), Kentucky.

Treasury Warrant #6917 is granted to Thomas Shearly and Dan Neale ___of Robert Johnston and George Newman a certain tract or parcel of land containing five hundred acres bearing date of December 9, 1794 lying and being in Scott Co. on the waters of Raven Creek.

In 1798 they were in Barren Co. Ky. Thomas and Mollie helped organize the Dripping Springs Baptist church there in Wisdom.

They built a house which stood until 1885 when it was destroyed by fire.

Thomas and Mollie are buried in two graves near where the house stood. Their graves have rectangular stones but no dates are visible.

children:

1. Richard b. Feb 22, 1771 d. 1846 3663
   m. Nancy Green 3664
   They had a large plantation in Barrens. The land adjoined that of his father. The house was a large 4 storied brick structure having a full basement, main floor, upstairs and attic that went over the entire house. In each end there was a design made of light colored and dark colored bricks, contrasting with the red of the main wall. A great crack came in one of the walls which made it necessary to wreck the house.

   In the early days, the first stage to run through this part of the country made a regular stop at the Richard Shirley plantation. The story told was about great stacks of dried pies that were kept ready to serve the travelers and of the great beauty of their youngest daughter, Fanny.

Thomas Shirley, Private, in a company designated at various times as Captain Matthias Hite's Company, Capt. Richard Campbell's and Lieutenant & Capt. John Steed's Company, 8th Virginia Regiment, commanded by Colonel Abraham Bowman. He enlisted January 21, 1777 for the war. He fought in the battle of Cowpens, South Carolina. His name last appears on the company muster roll for the months of November and December, 1777 and January, February and March, 1778 -- dated Valley Forge April 17, 1778, with remark "On furlough" (Virginia County Record (8 Va. Reg. Am. Rev.) folder 178, 1-4-6, Spottsylvania County, Va.)

Thomas enlisted in the 8th Virginia Regiments when he was 15 years old. (His brother John also fought with the Virginia Troops.) He married Molly Yates in Caroline Co., Va. in 1788. They lived in Spottsylvania Co., Va. until about 1795 when they moved to Culpepper Co. Va. About 1805 he disposed of everything he had except about 60 of his best slaves who cut a road through the forest as Thomas traveled to Adair Co., Ky. Thomas predicted Adair Co., Ky. had a great future and he died there a very wealthy man. It appears he had his family under his thumb. His will is most interesting and business-like -- and lengthy.

Thomas' children and descendants lived in Barren Co., Ky.; Okla.; Texas; Mo. and Kansas. Some surnames of those marrying into this family are in addition to those already listed: Moody, Thomson Browning, Hatcher, Spindle, Stapp, Bailey, Gadberry, Sexton, and Bridges -- to name a few.

James W. Shirley was born July 30, 1803 in Barren Co. (~~or Hart Co. or Bourbon Co.~~) Ky. In 1827 was married to Deborah Presley in Barren Co. They were married by Ralph Petty, the pastor of Blue Springs Regular Baptist Church, originally named Mud Camp Church, which was in a part of Barren County from which Metcalfe Co. was later formed. Joseph Presley signed the marriage bond along with James Shirley. Deborah Pressley was born in Tenn. (or Preble Co., Ohio) March 30, 1809 and died Aug.20, 1866 in Hendricks Co., Ind. which later beeame Lincoln Twp. They settled on Big Creek, Sec 21, T16N, R1E, 3 miles SW of Pittsboro, Indiana about 1830, and here James died in 1893. James and Deborah were charter members of the Big White Lick Regular Baptist Church, which was organized October 12, 1833 at the home of Adam Spicklemire with Benjamin Harris as minister. James was a farmer, and after the death of Deborah was proprietor, along with his son Francis Marion, of a hardware store in Brownsburg under the name of Shirley & Son. To Mr. and Mrs. James Shirley were born eight children, six of whom were reared to maturity and were named Robert, Rebecca, John N., Louisa F., Francis Marion, and George W.

Devere Shirley, grandson of Robert, recalls his grandfather's experience crossing the Ohio river, holding on to a horse's tail to keep from being swept away in the current.

From "Portrait and Biographical History of Boone, Clinton, and Hendricks Counties, Ind.", 1895 p. 1067

Francis M. SHIRLEY, farmer and merchant, of Lincoln Township, Hendricks Co., Ind., was born June 21, 1842, on the homestead on which he still resides, and is a son of James and Deborah (PRESLEY) SHIRLEY. The father was born in Bourbon Co., Ky., was among the first settlers of Lincoln township, Hendricks county, and is now making his residence with his son Francis, the subject of this sketch. To Mr. and Mrs. James Shirley were born eight children, six of whom were reared to maturity and were named Robert, Rebecca, John, Louisa, Francis M. and George G.; the remaining two died in infancy. Francis M. SHIRLEY received a very fair education in the local public school, and in 1860 he and his brother, George W., engaged in the mercantile business at Lizton, which they conducted together with profit for six years, when Francis M. returned to farming, and has since resided on his neat place of 120 acres. He is connected, however, with his father in the hardware business at Brownsburg, under the firm name of SHIRLEY & Son, and this house is now doing a prosperous trade. In politics Mr. SHIRLEY is a democrat, and in religion he is a Methodist, belonging to the M.E. congregation of Brownsburg. He is happily united in wedlock with Emily, daughter of Lawrence Leak, of Hendricks county, and to this union have been born the following children: Allie E., Ottie, Beelie E., Walter (deceased), Clarence and Luther N.

From "The SHIRLEY Family Tree", 1920. An article written by James W. SHIRLEY, age 82, for the SHIRLEY reunion of 1920. Search 140.

... James SHIRLEY, born in Kentucky in the latter part of the 18th Century and deceased at age of 92 years was the father of Robert and John N. Marion SHIRLEY, the father of Arley E., Ottie N., Albert E., Luther J., and Walter SHIRLEY. The writer is unable to give the names of the sons of Robert, John N., and George SHIRLEY, and he would favor the appointment of three committees, one for each branch of the SHIRLEY Family Tree to give the names of the younger, and the young people whose names do not appear in the list. The reports of these committees to be read at the next annual SHIRLEY Reunion.

James SHIRLEY, of Perry Township, Boone Co., Ind., was born in Scott County, Ky., Feb 25 1819, a son of Ezekiel and Della (SHIRLEY) SHIRLEY, both parents having been born in N.C. where they were married; thence they imigrated to Scott Co., Ky., where Ezekiel engaged in farming until 1831, when he brought his family to Hendricks Co., Ind., and rented land until 1838; then moved to Perry Township, Boone Co., where his son James, our subject, had entered land, on which he resided until his death in 1864, his wife surviving him until the next year They were the parents of six children, viz: Dickerson, Elias, Benjamin, Maria, Amelia and James, all deceased with the exception of our subject. The remains of Mr. and Mrs. SHIRLEY were interred in Mount Tabor Cemetery, both having died in the Baptist faith.

James SHIRLEY worked on the home farm in Hendricks county, Ind., from 1831 until 1838, when he launched out on his own account, worked hard, and earned the money to buy the forty acres in Perry township on which his parents ended their days. He later sold this farm and bought the 80 acres on which he now lives. The first marriage of Mr. SHIRLEY took place in Boone Co., Ind., in 1839, toElizabeth Poiner, a native of Putnam Co., Ind., and daughter of Joseph Poiner, of North Carolina. Three children were born to this union, viz: Henry and Parmelia, deceased, and Edward. Mrs. SHIRLEY died in 1866, and the second marriage of Mr. SHIRLEY took place March 25, 1867, to Mrs. Leaner SMITH, who was born in Owen county, Ky., January 9, 1830, a daughter of John and Betsey (ROBERTS) SMITH, natives of N.C., who both died when Leaner was a child. The first marriage of Leaner was with Daniel SMITH, to whom she bore nine children: Louisa (deceased), Albert, Henrietta, Hugh, Willis, George, Charles, Mary and Alice. Daniel Smith died in 1865, and by her marriage with Mr. SHIRLEY she is the mother of one child, Peter, who was born August 17, 1868, and was married in Perry township, December 29, 1890, to Miss Lydia STANFIELD, who was born in Jackson County, Ind., and is a daughter of Samuel and Janie (SMITH) STANFIELD; one child, Pearly, blesses this union.

James W. SHIRLEY--Change is constant and general. Generations rise and pass unmarked away and it is a duty to posterity, as well as a present gratification, to place upon the printed page a true record of the lives of these sterling men who have done so much toward establishing and making permanent the present advanced state of civilization enjoyed by the great commonwealth of Indiana. The name of SHIRLEY has been pre-eminently identified with the history of Boone County for years, and it is with much satisfaction that the leading facts in the life of one of the most worthy members of the family are herewith presented to the readers of this volume

James W. SHIRLEY is descended, paternally, back to his great-great-grandfather, James SHIRLEY, who came to the U.S. in ante-revolutionary times, and settled in Virginia, where he reared a family and became a planter of large means and a man of much more than local prominence. He died in the state of his adoption, and subsequently his son Ezekiel, great-grandfather of the subject of this sketch, with other members of the family emigrated to Scott Co., Ky., locating not far from Georgetown. Ezekiel SHIRLEY, at the early age of 17 years, married Dulcina SHIRLEY, a distant relative of about the same age, and reared a family of 7 children, nearly all of whom lived to the age of maturity and became the heads of families; but all of whom, excepting James, have long since passed from the scenes of their earthly la

A son of the foregoing, Dickinson SHIRLEY, married Elizabeth HAMRICK and reared a family of children, among whom was Caleb SHIRLEY, father of the immediate subject of this mention, whose birth occurred in Scott County, Ky., on the seventeeth day of July, 1817. Caleb, when a lad, moved with his parents to Hendricks county, Ind., where he grew to manhood; subsequent he moved to Boone county, Ind., married Mary (DALE) McREYNOLDS July 17, 1837, and located in Perry township, where he resided until his removal in 1840 to the township of Harrison. Like his ancestors before him, Caleb SHIRLEY was a tiller of the soil, and on coming to India purchased land in Harrison township, making a fine farm, consisting of 160 acres, where he passed the remaining years of his life, dying on the twenty-second day of March, 1876. His wife, who had been a faithful companion and true helpmate for a number of years, preceded her husband to the silent land, having departed this life March 13, 1859. To Caleb and Mary SHIRLEY were born ten children, whose names are as follows: James W. whose name introduces this sketch; Mathew E., Henry S., Jarrett S., Emily E., wife of W.F. PROCTOR, no deceased Eliza and Malinda, twins, the latter deceased; William S., deceased; Jessie B., and Mary wife of B.F. BELL. For generations the SHIRLEYS were Baptists, and of that church Caleb and his good wife were devout members. Mr. SHIRLEY was a man of exemplary habits, a model citizen and in every walk of life endeavored to adorn his Christian profession by living up to the pure teachings of his church. Mrs. Mary SHIRLEY was a native of Tennessee and duaghter of Squire and Elizabeth DALE, who wer born in the same state, the descendants of old and eminent respected pioneer families. When 18 years of age, Mary was united in marriage to Samuel

and Samuel, who resides at this time th the state of Kansas. Her marriage to Caleb SHIRLEY was solemnized on the sixteenth day of July, 1837. Squire DALE was one of 12 children that grew to years of maturity, and he served, with distinction, in the last war with Great Britai He was a man of many noble traits of character, and died at the age of 51, leaving as a precious heritage to his children, a name singularly free from the slightest hint of anything questionable or dishonorable. His wife, a most excellent woman, bright and intelligent beyo the ordinary, remained true to her husband's memory, and died after a widowhood of over thir years.

J.W. SHIRLEY, whose name opens this biography, is a native son of Boone county, and date his birth from the eighteenth day of April, 1838. His educational training, like that of the majority of country lads, was obtained in the old-fashioned log school-house common to the pioneer period of Indiana; and until his eighteenth year he assisted his father on the farm, thereby learning lessons of industry that proved so valuable to him in subsequent life. Having selected agriculture as his vocation, he began the same upon his own responsibility, at an early age, on the home farm, and in 1855 took unto himself a helpmate in the person of Sarah BRIGHT, to whom he was united in marriage on March 25 of that year. In the mean time, he left the family homestead and bought a part of the place he now owns, in Harrison township his first purchase consisting of 40 acres, to which additions were made at intervals, until eventually he became the possessor of 120 acres, a fine farm upon which he now resides. Mrs. SHIRLEY was born March 22, 1830, the daughter of William R. and Annis (HENDERSON) BRIGHT, and has borne her husband the following children: Jasper N., William H., (deceased), Rosella (deceased), Caleb E., John L. (deceased), James M., Theodosia E. and an infant son (deceased)

Mr. SHIRLEY has ever been noted as a warm-hearted, broad-minded man, upright in all his dealings, and a true lover of humanity, to the interests of which the best energies of his life have been nobly devoted. Reared a Baptist, he has never departed from the faith, and hi religious experience dates from his fourteenth year, at which time he was converted and becam a member of the old Mt. Tabor church. Later he took membership with the Mt. Union church, with which he has been identified since 1862, and in 1864 yielded to an inclination of long standing, by entering upon the active work of the ministry. He was formally ordained to the sacred calling in that year, and at once became pastor of the Mr. Union church, the duties of which relation, with the exception of one year, he nobly discharged until 1893; his pastor covering a period of 28 years of active service. He still preaches for neighboring churches and with a spirit of true consecration, expcts to devote the remaining years of his life to t noble work, which in his hands has been so greatly blessed in leading many to abandon the way of sin, and seek the true way leading to peace and happiness here and pointing to a more b blessed inheritance hearafter. He has also preached in the states of Illinois, Missouri, Kan Iowa, and Ohio. He has (he believes) traveled more miles and preached more sermons, than any minister in Boone county, living or dead. His politics, like his religious belief, Mr. SHIRL has never changed, and in the former he has been and remains a life-long democrat. At one ti he held the office of justice of the peace of his township, aside frome which he has never be called to fill official position.

Thus, briefly, is epitomized the life work of one of Boone county's most reputable citiz and it is the wish of his many friends that many years may yet be spared him in which to acco still more good in the cause to which his life has been consecrated.

Jarrett S. SHIRLEY--Among the substantial farmers of Boone County is the subject of this sketch, his farm being pleasantly situated withing two miles of the court house. He was born on his fathers farm in Harrison township, Boone county, June 21, 1845, and descends from the pioneer Baptist family of that name. (See sketch of Rev. James W. SHIRLEY.) Jarrett S. SHIRLEY received a common education, became a farmer, and married, at the age of 23 years, March 21, 1866, Harriet J., daughter of David and Katurah (PROCTOR) HEDGE. Katurah HEDGE was the daughter of James B. and Elizabeth PROCTOR, and was born near Lexington, Ky. Mr. HEDGE was from an old Virginia family of Irish descent, and came with his parents to Hendric county, Ind., when a boy, settling near North Salem. He finally became a substantial farmer, and passing most of his life in Hendricks county, he came to Boone county about 1865, and s settled on the farm no occupied by our subject. He cleared up this farm from the virgin fore it being covered originally with very heavy timber.

To Mr. and Mrs. HEDGE were born 13 children--George W., James H., Harriet J., Paulina F. John H., Sarah F., William G., Samuel C., David A., Oliver P., Charles E., Leroy F.(deceased young) and Cora E.(deceased young). Eight of these children are now living. They were all born in Hendricks county, except the youngest two, who were born in Boone county. Four of

[illegible] became school-teachers--John T., Oliver T., Charles S. and George W. [illegible] HEDGE lived to be 68 years of age, and died in 187[illegible]. In his younger days he was a tanner, but followed the pursuit of agriculture for many years, in which he was successful.. He was a man of great industry, and possessed those virtues which are esteemed among our best citizens. In political opinions he affiliated with the democratic party. After marriage Jarrett S. SHIRLEY settled in Hendricks county on a farm, remained there one year, and since that time has been a resident of Boone county. In 1870 he bought a farm in Center township, this land on which he lived for ten years. He then bought 72 acres of land in Harrison township, in 1880, on which he lived until 1886, when he sold this property and bought the HEDGE homestead on which he now resides. This fine farm consists of 110 acres of fertile land, which is in a high state of cultivation and is well drained and improved. Mr and Mrs SHIRLEY are the parents of three childrens-Ettie V. (deceased an infant), Lora T. (deceased) and Claude V. The death of Lora T. SHIRLEY was as sad as it was tragic: he had been fishing off the coast of Oregon, on the Pacific Ocean, about six miles south of Nasticca Bay, in company with his uncle, C.E. HEDGE, on the seventh of August, 189[illegible], and while driving homeward they were overtaken by the incoming tide, and so Lora T. lost his young life. The corpse was embalmed and brought to Lebanon, where it was interred in the "Old Union" cemetery, Wednesday, August 22. He left a wife, Etta, daughter of Amos HUSTON, and a child MORTIMER J., six months old. He was a cousin of Ora E. RANDALL, who was drowned while bathing in the Wabash river, at Terre Haute, about two years ago. Dear Brother

After waiting a long time I thought I would answer your letter I received a year ago I was very glad to hear from you nothing gives me more satisfaction than to hear from my Kindred and friends and they are well and doing well. I would have wrote sooner butt I thought I would wait a while and put it off from time to time, and you know procrastination is the thief of time. Brother you must look over my carelessness I have not been very well for some time. I am still able to go about and cook a little. I am still living with Nancy Green. we have plenty to eat and wear. Elizabeth and Zac are living at the old place Bets health is not very good. She has taken two little boys to raise. One is large enough to plow. Green has rented her land out. She is not very stout still keeps some stock on hand.

We have had extremely cold weather this winter the termometer stood 15 degrees below zero we have had a great deal of wet weather Farmers have done but little towards crops Brother I would be so glad to see you one time more in this life if you are able to come. You can get here so quick. Write to me as soon as you get this letter dont delay because I put it off so long. Tell me how you and all your children are getting along I hope when you receive this it will you all well.

Dear granpa

I want to tell you what a nice home we have. Wichita is a great big city and we live out at the very edge of it the Big Arkansas river runs about a square west of our house we can see it from our back door then the Little Arkansas run on the other side of town. Our house only has three rooms but that is as many as we need our kitchen is very large, large enough to cook and eat both in then our bed is in our middle room and our double cot in the front room so if any of you can come to see us we will be glad to have you. It looks here just about like it does in July at home, the wheat is 2½ feet high in some places.

The people tell us that the days are very hot here in the summer but the nights are always real cool, the mosquitoes are very bad here so close to the river I will have to get me a old tin pan and smoke them like you do. Marshall has not found a room for an office yet rooms are very scarce

Most of the houses here are small but a great many are very large and fine, and the stores and churches are equal to Indianapolis. Do you remember Prof. Hearper who used to be a teacher at home in the Normal till he got kidnapped as he said--well he is the pastor of the Baptist church here, the largest church in the city. As it is time to get supper I will have to close. I would like to have come over to have seen all of you before I came away but could not I am coming home in about a year Tell the boys they just ought to be out here if they want to catch big fish and I send Aunt Em a picture of my cooking stove. I will expect Eddie to answer this real soon. With much love to all and a great big hug for yourself.

Dear cousin after some 10 years has past since I have written to you or had a letter from you and having lately heard where you was by henry I have concluded to drop you a few lines again I am still living near where father first settled in carroll co. Mo there is five of us boys living yet our sisters are all dead henry told me that your father was yet living and that he was 82 years old which does look strange to me yet when I look ove almost 44 years since we left that state and the many trying scenes that passed in that length of time I have thought often over my childhood when we were small boys together and trace on down through the scenes of life since that time untill now and it seems like it was but a few days ago since father loaded up his wagon in hendrix county to go then into what was then thought to be a wilderness and was really and was thought would remain so but it is now a tolerably thickly settled county there has been but one railroad through our county but there will be in the course twelve months more three others steaming through our county which will give us great advantages in shiping stock and make freight some cheaper Stock of all kinds is bearing farir prices hear at the present time there is not more than two thirds as many cattle and hogs fed in our county as there has usually been for several years on account of the scarsity of corn which is worth from 30 to 40 cts per bushel the generel suppasition is that the corn will bee fed up tolerably close there was a great deal of our best land that did not make anything atall owing to the hevy rains that we had in June and July I should like very much to make a vis back to indianny next summer if I can but I dont know whether I shall be able to make the trip or not I was in the state of illinois last summer and if I had known when I left home that was coming as near as I did I should certainly have extend my visit into that state if know what time the Regular Baptist church holds their meetings at Danville and will answer me and let me know I shall bee much obliged to you

PS the reasons that I wanted to the time of there meetings there is that if ever I should come I wanted to be at it

County, Mo. Dec. the 13. 1883

Dear cousin after Some 20
years had past Since I have
written to you or had a letter
from you and having lately
heard where you was by
henry I have concluded
to drop you a few lines again
I am still living near
where father first Settled
in Carroll Co. Mo there is
five of us Boys living yet
our Sisters are all dead
henry told me that your
father was yet living and
that he was 82 years
old which does look Strange
to me yet when I look
over almost 40 years Since

we left that State and the many trying Scenes that passed in that length of time I have thought often over my childhood when we were small Boys together and trace on down through the Scenes of life since that time until now and it Seems like it was but a few Days ago Since father loaded up his wagon in Hendrix county to go then into what was then thought to Be a wilderness and was really and was thought would remain So but it's now a tolerably thickly Settled county there has Been But one railroad through our county But there will Be in the course twelve months more three others Steaming through our county which will give us great advantages in Shipping Stock and make freight Some

cheaper Stock of all kinds
is Bearing fair prices hear
at the present time there
is not more than two thirds
as many cattle and hogs fed in
our county as there had
usually Been for Several
years on account of the
Scarsity of corn which
is worth from 30 to 40 cts
per Bushel the gemeral
Supposition is that the corn
will Be fed up tolerably
close there was a great Deal
of our best land that Did
not make anything at all
owing to the heavy rains
that we had in June and
July I Should like
very much to make a
visit Back to indianny next
Summer if I can But I
Dont know whether
I Shall Be able to make the

the trip or not I was in the
State of Illinois last Summer
and if I had known when
I left home that was coming
as near as I Did I should
certainly have extend my visit
into that State if know
what time the Regular
Baptist church holds
their meetings at Danville and will
answer me and let me
know I shall be much
obliged to you
Marion Shirley

PS the reasons that I
wanted to the time of their
meetings there what if ever
I should come I wanted
to be at it
Yours respectfully

Notes on Conversation with Devere - c. 1983

1. Lee Shirley d. Dec. 1978. married Blanch ????? , who was living in Indpls. at time of conversation with Devere.

2. Son Robert now living in Detroit area; works for Ford Motor Co.; has family Bible.

3. Lee and Devere were both born in Centersburg, Ind.

4. A cousin in Pittsboro has a history of the Shirleys in Hendricks Co.--a copy of this is also in the Danville Library. (Believe he was mistaken about this--that library has been thoroughly combed for Shirley information.)

5. Knew nothing about grandchildren of Robert A. Recalled cousins William and Charles, but did not recall parents. (Very strange--these would have been Devere's first cousins.)

6. Aunt Carrie (Caroline F. Shirley Kendall) m. 2nd Smith Gibbs. She is buried in Centersburg; was called "Mother of Orphans" because she cared for 48 homeless children in her lifetime. (Smith Gibbs had a son Frank by a former marriage.)

7. Harley Shirley left young for San Francisco. (He is the father of Herbert Shirley, 66 Rutherford Ave., San Anselmo, Ca. 94960---also members of the Shirley Association. I will be sending him a copy of all this stuff also.)

8. Annie Shirley died at the age of 99 years old.

9. Maude Jenkins d. c. 1905--believes fall of that year.

10. Devere remembered hearing his Grandfather tell of crossing the Ohio River hanging onto the tail of a horse. (Robt. A. would have been about 8 or 9 years old at the time.)

Robert, I would really appreciate any additional information you can give me about your family--names and dates, who married, where born, married, died etc. on everyone--aunts and uncles and cousins.

Also, the publishing date of your family Bible and what you were told about it when it was given to you.

Dear Marion -

Please forgive me for being so slow in getting this information to you. The Shirley brothers were never very close and Bob and Ray have passed away. They both moved out of this area very early.

I have written to Natalie (Bob's wife) so often, and she never replies. As far as I know she is still living. My last card from her was at Christmas time - just, love, Natalie. and I had asked her about her children. I think the son passed away a few years ago, and I believe both son and daughter had children.

I appreciate all the information you have given us. We haven't heard from Cousins Robert and Paul since they stopped by here during W.W 2.

We've just returned from a tour of National Parks - Grand Canyon, Bryce and Zion. Enjoyed it very much. Europe doesn't interest us any more so we are seeing the U.S.A. much better anyway.

Our son and his family toured England & Scotland last year. They stayed at Ettington Castle one night. - quite expensive.

Thanks you again. Should I hear from Natalie I will let you know.

Fondly
Vera

According to Walt (Sr), Francis Marion experienced a fall from a horse from which he never fully recovered, making it difficult for him to fully perform his normal business and farming activities. Walt Sr. believes he may have suffered from seizures somewhat like epilepsy, or mental lapses. Emily was a woman of strong character and determination. She raised the sons almost single handedly and assisted in the management of the farm.

All of the above info is from Hendricks Co., records; Shirley Bros. Mortuary records, family records, and just plain first hand knowledge.

For instance, Alma Shirley gave us the info on Clarence. She is still living and cannot remember her own wedding date!

Walt's dad gave us some of it from his own knowledge. We can get most of the dates and names we don't have very easily--we just haven't bothered to do it. Luther has one son older than we are who never married.

Albert had one daughter - Janet who married, but never had children.

Warrenton's grand old man, J.W. Shirley, jailor, is one reason Fauquier County celebrates the early July holiday. Mr. Shirley's natal day is July 3rd and this year he celebrated his 81st birthday at a family party at the home of his son-in-law and daughter, Mr. and Mrs. Russell Rector. "Pete" Shirley as he is affectionately called, is as well known as any man in Northern Virginia, and is "part and parcel" of Fauquier County.

INDIANA SHIRLEYS FROM BARREN CO. KY.

Francis W. Shirley, Grandson of James and Mary (McMeekin) Shirley of Barren Co. Ky.

B. E. Shirley was born at Pittsborough in Hendricks County, Indiana, May 22, 1875. His father, Francis W. Shirley, died at Indianapolis in 1915, and his mother, Emily W. (Leake) Shirley, resides in that city. Many generations back Mr. Shirley's forefathers came from England and settled in Kentucky, and from that state have radiated into many others. The family vocation has been very largely agricultural in the past.

Until he was twenty-one years of age Mr. Shirley remained at home, attending school in Lincoln Township until he was sixteen, after which he was his father's main helper on the home farm. In the meanwhile his brother, A. E. Shirley, had started in the hardware business at Lizton in Hendricks County, and he became his brother's clerk and continued with him four years, during which time he gained a pretty thorough knowledge of the hardware business. In 1899 the family moved to Indianapolis, A. E. Shirley transferring his mercantile interests to that city, and B. E. Shirley continued in his employ for eight more years. He then became contract man for the Citizens Gas Company, and continued until that company was amalgamated in the Indianapolis Gas Company.

In 1912 Mr. Shirley became connected with the Pearson Piano Company of Indianapolis in the capacity of salesman, and through his fidelity to the company and his ability in salesmanship came into closer relations and in 1915 was sent to open a branch store at Anderson. This he successfully accomplished and has made it a center for musical circles in the city and adjacent towns, his territory taking in five counties. Mr. Shirley handles only first class musical instruments and these include pianos, piano players, phonographs and small instruments, designing to satisfy even critical and fastidious patrons who may have had musical training in other countries as well as his own. He is universally considered an able, honorable and upright business man.

Mr. Shirley was married in 1900 to Miss Laura M. Hayes, who is a daughter of Aaron and Maria (Spies) Hayes, of Marietta, Ohio. Mr. and Mrs. Shirley have three children, one daughter and two sons, namely: Lillian Ruth, who was born in 1902; Elbert Aaron, who was born in 1904; and Edwin Hayes, who was born in 1912. Mr. Shirley and family belong to the First Presbyterian Church at Anderson.

While Mr. Shirley has always taken an intelligent interest in public matters and wherever he has lived has lent his influence in the favor of good Government and civic progress, he has never felt the necessity of formally uniting with any particular political party, believing that his own judgment and knowledge of men gained through his many years of business experience will usually lead him aright when he comes to casting a vote. In fraternal matters, however, he has been very prominent for years in the Knights of Pythias. While residing in Indianapolis he united with Arrow Lodge of that city and has been a delegate to the Grand Lodge and since coming to Anderson has identified himself with Banner Lodge, in which he has passed all the chairs. He belongs also to the Travelers Protective Association.

IN MEMORY OF GRANDADDY
Walter L. Shirley
November 3, 1986

I want to begin with a word of deep appreciation to Bonnie and the entire family for permitting me the privilege of honoring Granddaddy's memory on this occasion. His life and his love have left me richly blessed, and so it is out of both gratitude and love that I have prepared a few words celebrating his life.

My perspective as a grandchild is much different than that of the larger community of Indianapolis. To tell you the truth, I had no idea that Grandaddy had his hand in so many things. There was virtually no end to his business ventures, which included, of course, Shirley Brothers, Shirley Engraving, and Mortuary Supply. And there were others. His public service record is equally impressive, including organizations like the Lions Club, the Hoosier Power Squadron, and the Indianapolis Better Business Bureau. And he was committed to the intellectual pursuits of such organizations as the Scientech Club, American Seismological Society, Masonic Lodge, and Scottish Rite. "WALTER SHIRLEY WAS A BUSINESSMAN". That is what the obituary says about Grandaddy. That's how the headline reads. And that is what most of Indianapolis knew. But as a grandchild, I saw him much differently.

Grandaddy was the Great Patriarch of our family. Though not physically a large man, he always seemed tall to me. He was so self-assured. So proud-looking. So commanding! He and Bonnie were the glue that held our family together. He and Bonnie were the reason for Christmas Eve. He and Bonnie, from my perspective as a child, were THE Beginning. They were the beginning of life. Of me. Of us.

Because I saw Grandaddy as a patriarch, I looked to the Biblical tradition of the patriarchs for some words which might enlighten us and give us some meaning at this crossroad. I found a story that seemed to fit. It's not a story you usually associate with services honoring persons who have died, but I chose it because I think Grandad would have truly appreciated what it had to say. It's the story of Jacob wrestling with a person, whom we discover later to be an angel, or messenger, of God. Jacob struggles with this person all night, and in the course of the struggle he is injured. The injury is not serious, for Jacob is able to get up from the struggle and walk away, although he does so with a slight limp. Yet oddly enough, Jacob also comes out of the wrestling match having been blessed, because as Jacob says, "I have seen God face to face and have survived." Having given this background, let me now read the passage to you:

> Then someone wrestled with Jacob until daybreak, who, seeing that Jacob could not master him, struck Jacob on the hip socket, and Jacob's hip was dislocated as he wrestled with him. The angel said, "Let me go, for day is breaking." Jacob replied, "I will not let you go unless you bless me." The other said, "What is your name?" "Jacob",

he replied. The angel said, "No longer are you to be called Jacob, since you have shown your strength against God and people and have prevailed." Then Jacob asked, "Please tell me your name." He replied, "Why do you ask my name?" With that, he blessed him there. Jacob named the place Peniel, "Because I have seen God face to face", he said, "and have survived." The sun rose as he passed Peniel, limping from his hip. (Genesis 32: 25-31)

Like Jacob, Grandaddy was a wrestler. Now he was not a wrestler in the literal sense of physical tug-of-war, although I am sure Grandaddy was capable of holding his own. What Grandad wrestled with was life. He wrestled with truth. He wrestled with things of ultimate meaning. And because, in my thinking, God is these things, Grandad, though he, perhaps, didn't realize it, wrestled with God. Grandad enjoyed his wrestling, although I think, like Jacob, he suffered for it. He came away from his various battles with a limp which presented itself to his family as a kind of restlessness and unfulfilledness. Although I can be no judge of what went on within him, it seemed to me that most of his life he was not at peace. That was his limp. That was his injury. Yet what the story of Jacob says to me is that IN the wrestling we may see God face to face; it is in the struggles of our lives that God is most present-- whether we know it or not-- shaping us, stretching us, toning us up, and exercising our spirits for what lies ahead. God gave Grandad one very thorough workout. It lasted eighty-three years.

One of my most vivid memories of Grandaddy was on a very, very hot summer day when I was about eight years old. My brother Charley and I were staying with Bonnie and Grandad while Mom and Dad were on vacation, and Grandaddy decided to put us to work picking up hedge-clippings. Let me repeat. It was a very hot day. High noon hot. Sweat-gushing-out-your-brow hot. Even for an eight-year-old hot. There Grandaddy stood, sweatless, inspite of a long-sleeved shirt and trousers, telling us to pick up his hedge-clippings. Let me tell you: it's hard to argue with a man wielding hedge clippers. But then, I knew even at that age, that you couldn't argue with Grandaddy anyway. Grandaddy was a wrestler.

Grandaddy wrestled with just about anything and everything. He took on doctors, lawyers, public utility officials, publishers, architects, builders, and family. And that's not all. Grandad took on volcanoes, earthquakes, cancer, computers, orchids, ecology, pollution, stars, solar energy, and even the earth's crust. No subject or thing was out of Grandaddy's reach. Not even the hungry squirrels in his backyard.

Grandaddy did his best to teach the art of wrestling to his grandchildren. All the way down to the Ohio River once, Frank and I wrestled with the problem of the "crocheted cow". As we passed various pastures, Grandad would point one out: "There's a crocheted cow". We'd look and look and could never find anything handmade or constructed of yarn. Just big ol' Angus cows. We spent the better part of two

hours on that riddle before we finally solved it. And there's enough of the spirit of my grandfather in me, that I'm going to let you all wrestle with the answer to the riddle yourselves!

On a more serious note, Grandad urged us all to think, sometimes even playing the devil's advocate. Several grandchildren received subscriptions to "Progressive Magazine", which, though it for most of them was at least one intellectual step ahead of where they were at, was a clear invitation to struggle with questions of ultimate meaning. His intellectual and philosophical legacy is perpetuated in twenty-two grandchildren who are managers, teachers, entrepreneurs, dental workers, doctors, lawyers, pastors, financial analysts, salespersons, funeral directors, or students preparing for occupations which will in similar ways be of service to society. We owe Grandaddy a great debt of gratitude for this, our inheritance.

Grandaddy had a soft side he wrestled with. I think part of him would have preferred not to show it, perhaps because it suggested a vulnerability that was incongruent with a patriarch and wrestler. But I saw him cry when Aunt Barbara died; he wrote letters to people, which contained deep expressions of love and appreciation; he would even sing songs with Bonnie over the phone when she was in the nursing home: "Shine on, shine on harvest moon....."

Grandad's soft side was also revealed in his surprising tolerance for occasional indignities foisted on him by his well-meaning offspring, like the time my father blew-dry Grandad's hair with a Home 'N Yard Power Blower. I have a photo of that moment, and Grandad was laughing. All of us have glimpsed and enjoyed this more elusive, but softer, more sensitive, and yielding side of Grandad.

One of the bittersweet realities of aging is that even for the strongest, the odds of wrestling and winning in the way we are accustomed to winning decreases with time. We limp more, not because our spirits are unwilling to fight, but because our bodies say "enough". I think Grandad wrestled, too, with this issue. It must have been a quiet wrestling. But it appears he knew. And it appears he was ready.

I'd like to close now by quoting the final paragraph of a letter which both Grandad and Bonnie sent to my son, Charley, on his birth seven years ago, but which bears the very clear mark of a wrestler in its content. Perhaps these would be his parting words to all of us, as well:

> You will learn to talk and to walk. Sometimes you may say what appears the wrong thing, but keep on. Being corrected gives greater strength as we recognize the error. You may fall. The most important thing is that you get right up, and in your own strength, get to your goal.
>
> There will be moments of what we term skepticism, but I would remind you of that famous observation of a great man: "Rough hew them

as we may, There is a Divine Hand that shapes our ends"-- Abraham Lincoln. And then in my own observation, "The average man has Five Senses: sight, touch, taste, smell, and hearing. The successful one has two more: Horse and Common."

With all that LOVE we all try to place around you, we are,

"Great-Grandmother and Great-Grandad Shirley"

I have endeavored to abstract the more pertinent information from the microfilm of the 1860 census for this book.

Utmost care was taken in the copying of these records. There are many errors to be found in spelling, etc. Quite possibly many of these errors are my own; as the old handwriting is very hard to read and some pages were very dim on the microfilm. For my errors or omissions, you have my humble apologies. I tried to copy each name, date, age etc. as it appeared on the microfilm.

It is my sincere hope that this book will be of help in some small way to those people who are so eagerly searching for information on their ancestors.

Dear Marian,

I am hoping to meet you in person Sunday, but in case that doesn't work out, I'm sending this to thank you again for all you have done to help me!!!! When I was putting it all together this week I found that the Shirley family information was the most complete of any family and that I still have some data to get from some of the others. I really appreciate the way you have stuck with it until all the information is complete. If everyone were as interested and cooperative!!!!!

I do have a couple of things you might know, or find out easily. Were Bertha and Ottie married on June 1 or June 2, 1902? County records have June 1. Other info I have somewhere had June 2. I suspect the county records are the day the license was purchased and that the wedding may have taken place a day later. I have found discrepancies of one or two days in other dates like that.

Would Walter Sr. know Wm. F. Money's birthplace? I presume he died in Indianapolis. And Walter told me that just this summer they moved his body from Crown Hill to Sparks Cemetery in Hendricks Co.

I have been working on the Bursott/Bersot family (Grandmother Keeney's family) also. Walter told me that Grandmother's sister, Susan Jane Offutt stayed with them. I should like to know more about her, what kind of family she had, what happened to her husband, etc. Walter mentioned something about her having lived in St. Louis, also. I believe she is buried on the Shirley lot at Crown Hill. Where was her husband buried? Any children? I have a picture that she is in but I'm not sure which one she is.

About wedding dates for the Marion Shirley boys. I found the following in the Hendricks Co. records. (Marion Co. records)

Arley E. Shirley	12/22/1902	
Bert E. Shirley	9/18/1901	(Laura M. Hayes)
Ottie N. Shirley	6/1/1902	
Luther J. & Inez M. Baldwin	11/23/1916	

When I get a chance to get back down to the library I shall look in the Howard Co. records to see if they have Clarence listed. Our library has lots of records but not all years for all places.

The only birth date I found was for Luther--3/22/1890.
A child born to Bert and Laura (female) on 7/11/1902--I presume that was Lillian.

I am so sorry to learn that Kenneth and Beulah are in poor health. The last time I saw them was at Luther's funeral. Mother and I rode with them to the cemetery. I still picture them as they were then, or even before that.

Speaking of libraries--the Ft. Wayne library is "second in the nation under one roof" in its genealogy department. I have spent quite a bit of time there and have begun to learn how to use it. I want to get down more this fall. I have a stack of notes of things I want to look up.

Did I tell you that after all these years of hearing that the Bursotts came from France, I found the census records that say they were all born in Switzerland! That is the biggest revelation I have found! Ha! Library work takes time--hours and hours! There is no use to go if I can't spend at least a couple of hours there, which means three hours by the time I leave home and get back.

I can't help you with the Hall family. Some of the Leaks married into the family but that is all I know. Contact Ruth Hall in Lizton and she could tell you of that family. Her husband was Oscar and I know he had a brother Alvin who lived in Danville and had the Danville Gazette. He had no children. Oh, yes. There was Nitis, also. He lived in Lizton. He is on the Leak Chart. If you have any questions about the Leaks or Halls do contact Ruth. She is 84 and still pretty good and has been working with genealogy for years and is saturated with it. For those who aren't interested she can be too much. Ha! She and Ruth Bailey (90 this month) went with me hunting cemeteries this summer!

I'm glad to know young David is o.k. I don't remember that you had written he was ill but I take it you had quite a worry for awhile concerning him.

I don't think I ever met Clarence and Alma. Mother mentioned them and the furniture store and when we used to be driving through Kokomo on our way back and forth from Merchantville before Mother moved up here we would pass the store--at least I supposed that was it. But we never stopped! Now we don't go through Kokomo.

I have spent this week putting things together. I had hoped I could do it well enough that it could then be copied, but I find there are still too many blanks and that it will all probably have to be re-typed before it can be xeroxed. And I still want to get more of the older generations to go with. I have also made a big (too big!) chart to hang with all the families. Makes quite a thing! My line didn't add much, tho'!

It has been fun to read what all the different ones are doing. Your family and all the Shirleys are certainly an interesting group. Perhaps it has been more so because of the interesting way you wrote of them. As you say, when you put it on a chart it doesn't come out as alive.

Thanks again for all the time, time, time, and postage you have spent to send me the information. Hope to see you--if not Sunday then some other time.

Sincerely,

Virginia

Death of Mrs. Geo. Shirley

Last Saturday evening M. & Mrs. Geo. Shirley of New Elizabeth came to Danville on a visit to their friends, going to John Shirley's to spend the night. Next day they designed attending the Baptist Association at Abner's Creek and return home that afternoon. Mrs. Shirley seemed in her usual health, conversed freely and and retired feeling well. About mid night she was taken sick, and immediately Dr, Hoadley was summoned, who came at once and remained by her bedside until she died which was at 2 o'clock in the afternoon. The services of Dr. Lockhart were also obtained and all done that medical skill could do for her recovery. Both physicians think it a pretty fair case of cholera and that the disease was in her system before she came. Her remains were taken that evening to her fathers five m miles north of Danville and on Monday to Abner's Creek for interment. She was a young lady of many amiable qualities and enjoyed the love of a large circle of friends. In this sudden bereavement her stricken husband has the sympathy of the entire community. They had been married less than a year.

Dear Ruth,

Slow but Sure- so now will try to answer. I type and write so poorly any more-- will try long hand. Yes I do know quite a bit about George Shirley. Shirley Family There were Robert, John, Marion, George, Mrs. ~~Grab~~ Crab, Mrs. Hoadley, all I knew.

The old Shirley farm where Uncle Marion lived in south of Brownsburg, James Shirley (Grandpa) lived with Marion and Emily. He died there and is buried near Walter at the old Pres. Church 1½ miles from the farm which I suppose was given to Marion as his part of the estate as they kept Grandpa, as we always called him. He and Walter would come to see Grandma and family- a fine old gentleman he was. He would drive Old Balley the family horse. I can tell more but we'll skip it and tell you about George Shirley.

George Shirley I always thought he was the youngest but do not know— Bert as he grew older was a Shirley more so was Ott, ~~Ed and Luther~~- and Clarence, Ed and Luther were more like the LEAKS. I Was Ed's favorite cousin, but Walter was my playmate. Now to tell more about George.

George Shirley's 1st wife. East of Hamilton School on south side lives Mary Montgomery. Herein lies a tale. The 30 acres just south of the Montgomery farm.

A couple owned that farm, about in 1850 ro 1860. Not sure about their name something like Carrington, seems to me. Would have been young married people perhaps. No children ever, of their own. One morning they found a baby on their door step and they reared her and she was george Shirley's 1st wife.

I see your note says they lived in Lizton less than a year when the cholera came. Mrs. Shirley was scared and got some one to take her to Danville to the Shirley's. Now I cant give any dates. She died real soon, next day, with the cholera. When in C.N.C. in '98 I boarded at Emma Hardens. She knew the Shirley story and she said they ~~married~~ Buried her at night. Now I heard this from Grandma Amanda, Uncle George and Aunt Alice. Alice knew it well and she had cholera and got well. She lost a sister, brother and father. Mrs. Hedges went everywhere and never took it.

Old Levi Smith, old man, lived on the corner next to the State Road. He and Aunt Alice were the only two in Lizton that got well. An old man and a little girl, Yes Hedges was an old man. Was in the War of 1812. Is buried in the far end of Vieley Cemetery. Dont suppose any stone. They were so poor. But Alice would decorate her fathers grave. Hedges was a "hatter" Then they had what they called Hatters-- It was a business.

I'm Glad to help all I can. I am not crazy about weather. Cold as whiz here today, but says warmer soon.
